

Excerpt from TSBP's FAQs of the Texas Prescription Monitoring Program
https://www.pharmacy.texas.gov/files_pdf/5CII_PrescriptionFormFAQ.pdf

What cannot be changed on an official prescription form?

Name of the patient
Name of the drug
Name of the prescribing physician
Date the prescription was issued

Any other item, such as adding or changing the dosage form, strength of the drug, quantity of the drug, and directions for use, MAY BE CHANGED PROVIDED, the pharmacist:

- (1) contacts the prescribing physician and obtains verbal permission for the change; and
- (2) documents on the prescription the following information:
 - (a) change that was authorized;
 - (b) name or initials of the individual granting the authorization; and
 - (c) initials of the pharmacist.
