

Request to Change the Name or Location of Pharmacy License Instructions

Instructions:

This form should be submitted if a pharmacy is changing their Business or DBA Name or if the pharmacy is physically changing location or suite numbers. If the pharmacy is NOT physically moving (i.e. this is a change in address due to USPS, 911, or the county) contact the Licensing Division at (512) 305-8022 for further instructions.

According to the Rule 291.3, a completed application must be filed with the Texas State Board of Pharmacy **30 days prior** to a change of pharmacy location and **within 10 days** of a change of pharmacy name. An amended license reflecting the new location and/or name will be issued when the application is approved.

This form is **NOT** acceptable to submit if there has been any Changes in Ownership. According to the Texas Pharmacy Act, Section 560.101, a pharmacy license is not transferable or assignable. Therefore, if a pharmacy changes ownership, the new owner must apply for a new pharmacy license. Instructions for a Change of Ownership are available on our website at: http://www.pharmacy.texas.gov/files_pdf/Change-OwnrshpInstr.pdf. If the pharmacy is moving or changing its name before the Change of Ownership is processed by TSBP, the *current* owner of the pharmacy license (per TSBP records) must submit the Change of Location/Name application.

Non-resident Pharmacies: The pharmacy license issued by your resident Board of Pharmacy is the basis of the Class E or E-S license. Therefore, when the resident Board of Pharmacy issues a new license due to a change of name or location, the Texas State Board of Pharmacy also requires submission of a new license application to issue a new Class E or E-S license number.

Pharmacies Compounding Sterile Preparations: Class A-S, C-S, or E-S Pharmacy changes location, the pharmacy's classification will revert to a Class A, Class C, or Class E unless or until the Board or its designee has inspected the new location to ensure the Texas Pharmacy Rules 22 TAC, PART 15 53 pharmacy meets the requirements as specified in §291.133 of this title.

Class B Pharmacy: Changing location, the Board shall inspect the pharmacy at the new location to ensure the pharmacy meets the requirements as specified in subchapter C, prior to the pharmacy becoming operational.
