### TEXAS PHARMACY LICENSE APPLICATION

### Institutional/Hospital/ASC Pharmacy (Class C) License Information Change of Ownership Form

**PLEASE READ CAREFULLY:** According to the <u>Texas Pharmacy Act 560.101</u>, a license is non-transferable or assignable. A license is issued to the owner(s) and for the location of the facility. All approved change of ownership applications will result in a new license number being issued. The seller is responsible for pharmacy operations until the new license has been issued by TSBP.

The application should be submitted to TSBP within 10 days AFTER the change has taken place. Completed applications *may* take approximately 90 days, including the pre-inspection, for a license to be issued. Failure to submit all required documentation will result in a delay of licensure. Questions regarding the application can be directed to the Pharmacy Licensing Specialist either by email to <a href="mailto:pharmacy.texas.gov">pharmacy.texas.gov</a> or by phone at (512) 305-9127.
